Public Works Board

Recommended for 2016 Construction Loan Funding:

City of Waitsburg

Main Street Bridge Replacement

County: Walla Walla

Legislative District: 16th

PWB Loan Request: \$600,000

Other Funds: \$1,186,000

Total Project Cost: \$1,786,000

Serves:

- **Schools:** 3 (250 Students)
- **Businesses:** 60
- **Community Facilities:** 6

The City of Waitsburg intends to replace the Main Street Bridge through a project cost sharing program with the Army Corp of Engineers through their Flood Reduction (205) Program. This project includes the replacement of the Main Street Bridge with a new slightly longer, wider bridge that has a clear span underneath it, which would eliminate flooding impacts associated with the current bridge.

Previously Funded PWTF Projects	Amount	Year	PWTF Program	Status
Wastewater Facilities Improvements	\$113,560	1988	Construction	Complete
Wastewater System Improvements (Design)	\$195,000	1999	PreConstruction	Complete
Wastewater System Improvements (Construction)	\$800,000	2001	Construction	Complete
Sewerline Relining	\$120,000	2013	Construction	Complete
	\$1,228,560
